Subject: Change in Project Review Dates - June and July

Dear project leaders:

Due to significant conflicts with the original June and July project review dates, **the following new dates have been identified:**

- June 27: (8:30 am - 11:30 am, Richmond time) (Program areas covered: Repro, ETS, Smoke Exposure)
- July 30: (8:30 am - 10:30 am, Richmond time) (Program areas covered: Acceptability Assessment, Harm Reduction Guidance/Evaluation)

The original May and August project review dates remain unchanged.

Please let me know if any questions.

Thanks and regards,
Valerie

July 30 - 10:30 am
